

ARC Invites Artists Submissions to the open entry Group Exhibition curated by arc  
**Regeneration**, which will include works of any medium

Funding was announced in March 2009 by Arts Victoria and the Victorian Arts Centre for the provision of an Arts Recovery Project Officer for bushfire affected areas. While Murrindindi Shire was identified as the area where the Arts Recovery Project Officer would be based, Regional Arts Victoria identified that some South Gippsland towns had been severely impacted RAV undertook to ensure a small amount from the funding would be utilised in this area though increasing the capacity of a local, capable arts organisation to support its artists and communities. Regeneration open studios and exhibition of works has been created by this provision.
